Webinar On

Standardization in Transportation of Dangerous Goods
March 04, 2022 | New Delhi

BIS (Bureau of Indian Standards) is the National Standards Body of India – as per the provisions of Bureau of Indian Standards Act. 2016, under the Ministry of Consumer Affairs, Food and Public Distribution, Govt. of India

BIS has identified a total of 22 services to be standardised. As part of this standardisation process, BIS has decided to associate with **CILT-India** to prepare the standardization document for "**Transportation of Dangerous Goods**". As part of this association, CILT-India has developed the standardisation document on "**Transportation of Dangerous Goods**". BIS is formulating the Indian Standards on this subject under its Transport Services Sectional committee SSD 01.

To garner a diversified opinion on this aspect, BIS in association with CILT-India has organised a webinar on 04th March 2022 from 10:30 - 13:30 Hrs, wherein various eminent International and Indian speakers delivered their viewpoints.
